Executive Leaders Forum

On behalf of PwC, we cordially invite you to attend the 5th meeting of the **Executive Leaders Forum** cycle, addressed to expatriates who hold executive positions and who live and work in Poland.

Evolving trends are changing the way in which tax functions operate both on a day-to-day basis and with long-term strategic planning. Technological and procedural changes will heavily affect the way companies operate and how board members should approach their tax strategy. That is why during the meeting we will be focusing on **Tax Function of the Future**. Join us to find out more.

During the event food and drink will be provided. We invite to join us for welcome drink starting from 5:30 pm.

The event will take place on Thursday,
2 February 2017 at 6:00 pm in The Place Restaurant
(Plac Europejski 1 Street, Warsaw)
