

What does successful Inward Investment mean?

PwC Inward Investment Network

CEE Inward Investment Team

A global network with a local footprint

One point of contact and responsive leadership

Effective PwC network for potential investors

End-to-end approach

We identify and analyze areas that are not obvious for our Clients

Relationships with local and central government structures

Responsiveness and long term approach

We get the job done

Our services across a wide range of areas ensures that our Clients establish a fully operational business

Local insight

Our network is physically present in each of the CEE country

Recruitment support

- How to become an Employer of choice?
- How to recruit the right people?

Site selection

- How to select location?
- What factors shall I take into consideration during site selection?

TAX

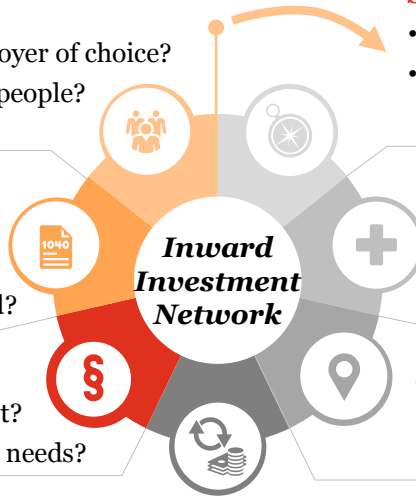

- How to steer away from key TAX risks?
- Is TAX structure complicated?

State aid and incentives

- What is available?
- How to apply for available funding to maximize your chances for success?

Legal support

- What legal structure will be best?
- Will it be suitable for my future needs?

Real Estate

- Is it better to own or lease property? Or is there a third option?

Project Management and financing

- How to make sure that we achieve our business goals on time and within budget?
- Can I finance my investment locally on better terms?
