

ACCA Live Online

Weekend courses with PwC's Academy

ACCA Live Online courses delivered by the PwC's Academy in the CEE region are accredited by ACCA Approved Learning Partner with Gold status.

Live Online courses are designed for self-learners or those re-sitting the exam. During the training, lecturers will focus primarily on more important areas and exam techniques.

Real-time courses enable the student to interact with the lecturer and other participants without leaving home.

Prior to the course, each participant receives the so-called pre-course guidance. Training sessions are recorded and available to participants for replay.

Courses take place on weekends, from **8:00 a.m.** till **2:30p.m.**

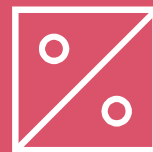

The price of ACCA Live Online includes:
