

Business Coaching Diploma

Advanced Coach (Module V)

Day 1

1. Systemic work: principles of how systems function
2. Managing yourself as a coach: consciously using your energy competencies

Day 2

1. Working with the body and emotions in coaching
2. Courage and readiness to accompany the client in difficult topics

Day 3

1. What distinguishes a coach at the ICF PCC level
2. Coaching practice

Day 4

1. Final Assessment with ICF PCC markers
2. Presentation

Coaches who are mastering their profession become more aware of themselves, their relationship with the client, the environment and the system, and are able to work consciously in the coaching relationship.

They are ready for holistic work with the client, taking into account the mind, emotions and body.

They are driven by courage and are ready to accompany the client in difficult emotions, share insights and admit their mistakes.

We invite you to the next level of your coaching journey.
