

Regional PwC's Mini MBA online

The most important business skills

What is PwC's Mini MBA Programme?

PwC Mini MBA training programme is focused on developing the most important business skills. The training course provides participants with a clear picture of organizations, their structure and management methodology. Participants will have the opportunity to acquire the knowledge that has value and can be used in everyday business activities.

Why PwC's Mini MBA online?

By joining our VILT (Virtual Instructor-Led Training) program you will be able to learn from the comfort of your home or office. All sessions are live and interactive so you will have full access to our expert trainers and other participants.

Who is it for?

The training course is intended for managers at all levels in all lines of service, owners of small and medium-sized enterprises and those who intend to start their own businesses.

Managing an organization or its segment requires specific and very often diverse business skills and knowledge. Therefore, it is very important that managers have the relevant knowledge on company's operations and understanding of company's strategy, human capital, marketing and other operational challenges.
